Auto-dripping effect technology

Code: 23038
Dimensions: 8L x 8W x 15H

Description

Introduce a touch of serenity to your collection with this remarkable LED wax candle in a calming sage hue. The innovative melt-effect design creates an authentic dripping wax appearance while maintaining perfect form, offering the ambiance of traditional candles with none of the maintenance concerns. The subtle green tone complements both modern and traditional decor schemes, making it an essential addition to your seasonal displays. For a cohesive look, consider pairing with the coordinating Luxe Collection sage dinner candles, the Globe Green Artichoke Tea Light Holder for layered lighting effects, or mix with the grey variants from the same collection to create depth and visual interest in your displays. This battery-operated piece delivers the perfect blend of innovation and aesthetic appeal that your customers seek for their homes.
