- Battery-operated with maintenance-free operation
- Flickering LED mimics real flame movement
- Coordination potential with multiple sizes and styles

Code: 23032

Dimensions: 8L x 8W x 15H

Description

Immerse yourself in the soothing ambiance created by this taupe LED wax candle. The realistic dripping effect mimics natural candlelight while maintaining complete safety. Its neutral tone complements both modern and traditional décor schemes, making it an essential addition to any home collection. For maximum visual impact, consider grouping with other sizes from the Luxe Collection Melt Effect range, or pair with the Natural Glow Textured Ribbed candles to create depth and interest in your display. The LED technology ensures longevity and consistent performance, offering retailers a reliable product that meets contemporary consumer demands for both style and practicality.
