LED-powered design eliminates fire hazards

Authentic wax construction maintains traditional appeal

Multiple size options for varied displays

Code: 23040

Dimensions: 13L x 13W x 13H

Description

Introduce an ethereal glow to your retail space with this innovative LED wax candle from the coveted Luxe Collection. The sage-hued centerpiece merges authentic wax construction with cutting-edge LED technology, creating a mesmerizing melt effect that radiates warmth without the concerns of an open flame. The subtle green tones and realistic dripping aesthetics make this piece an ideal addition to both modern and traditional retail environments. For a curated display that will entice your customers, pair this 5x5 candle with its coordinating sizes in the same sage palette, including the 3x6 and 3x4 versions. Complete the arrangement with the Globe Green Artichoke Tea Light Holder to establish a cohesive botanical theme, or introduce the matching sage LED wax dinner candles for added height variation. The LED feature ensures worry-free operation in any retail setting while maintaining the authentic appeal of traditional wax candles, making it an essential addition to your home décor inventory.
