No-flame technology
Dripping wax aesthetic

Long-lasting battery operation

Code: 23036

Dimensions: 15L x 15W x 30H

Description

Bring warmth and ambiance to your retail space with this innovative LED wax candle in a subtle taupe shade. The realistic melt effect creates an illusion of wax naturally dripping down the sides, while the LED technology ensures safety and longevity. This substantial piece measures 6x12 inches, making it a standout decorative element that appeals to safety-conscious consumers seeking the charm of traditional candles without the risks. The neutral taupe color palette complements any interior style, from minimalist modern to classic decor schemes. For an impactful display, consider pairing with smaller sizes from the same collection to create varied height arrangements. Add textural interest by combining with our Natural Glow ribbed LED candles or enhance the ambient lighting effect with our LED tealight set. Perfect for retailers catering to design-savvy customers who value both aesthetics and practicality.
