Description

Bring warmth and ambiance to your retail space with this exceptional wax LED candle featuring an intricately textured ribbed surface that adds depth and visual interest to any display. The authentic wax construction combines with an innovative amber LED flame that creates a safe, maintenance-free alternative to traditional candles, perfectly replicating the gentle flicker of candlelight without the concerns of open flames or melting wax. This distinctive piece pairs beautifully with the coordinating Natural Glow collection, including tealight sets and stone-textured variants, while wicker lanterns provide an ideal complementary accent to create layered lighting displays that will appeal to design-conscious consumers. The built-in timer function offers practical convenience that your customers will appreciate, making this an essential addition to home décor collections and wedding accessory offerings.
