Description

Create an enchanting ambiance with these revolutionary LED tealights that perfectly mimic authentic candlelight. Each white tealight features an innovative black wick and natural-glow flame effect that produces incredibly lifelike illumination. The gentle flickering creates a cozy atmosphere without the safety concerns of traditional candles - no wax, no fire hazard, just beautiful ambient light. These tealights pair wonderfully with our Luxe Collection LED dinner candles and textured ribbed candles for a cohesive lighting scheme. The smart 6-hour timer function allows for worry-free operation in retail displays and home settings.
