

Matt Black Cylindrical Planter On Black Frame

Architectural black cylindrical planter merges form and function. Minimal design suits modern spaces. Perfect for dramatic plant displays and contemporary styling.

Matte finish reduces glare and fingerprints

Stable frame provides secure plant display

Pairs with multiple vase styles

Code: 23093

Dimensions: 22L x 22W x 72H

Description

Modern aesthetics merge with functional design in this cylindrical planter, showcasing a sleek matt black finish that creates depth and dimension in any space. The minimal geometric form sits atop an architectural black frame, offering a contemporary take on indoor greenery display. This statement piece excels in both residential and commercial settings, making it an excellent choice for design-conscious retailers. The planter's proportions allow for dramatic botanical arrangements while maintaining a refined footprint. For maximum visual impact, pair with our Matt Black Hammered Vase with Lid, which echoes the planter's sophisticated finish, or complement with the contrasting textures of our Stone Effect Um Planter and Tiber Stone Ceramic Vase. The addition of our curated selection of Pampas grass varieties adds organic movement and texture to complete the arrangement. This planter represents the intersection of contemporary design and practical functionality, offering retailers a product that appeals to customers seeking modern decor solutions.

Please Note: The flowers and plants used in the product photography are used for illustrational purposes only and are not included with the planter.
