Description

Sculpted in pristine matt white ceramic, this understated candle holder brings serenity and luminous charm to any space. Its clean lines and minimalist silhouette create a tranquil focal point, while the flawless surface texture catches light in subtle ways throughout the day. For maximum visual impact, arrange in clusters with complementary pieces from our coastal collection, including the small and large variations of this design, or pair with the Regola ceramic vase and Darcy antique white vase. The addition of our Tall White Blossom arrangement completes the serene aesthetic, while the Leptis Magna or Pula table lamps provide ambient lighting harmony.
