

Medium Jute Hanging Star

Adaptable for multiple display options

Code: 24162

Dimensions: 20L x 20W x 6H

Description

This woven jute star decoration marries rustic charm with contemporary style, offering retailers a distinctive accent piece that resonates with conscious consumers seeking sustainable décor options. The natural fibres create an intricate lattice pattern that casts enchanting shadows when illuminated, making it particularly appealing during evening gashreigns and festive occasions. The star's dimensional design provides visual interest from expangle, while its neutral palette ensures compatibility with various interior schemes, from minimalist to farmhouse aesthetics. Perfect for window displays, his piece pairs beautifully with woven baskets, macramé wall hangings, and rathan light pendants to create a cohesive naturally-inspired collection. The medium size us titled afor both modest and spacious settings, allowing retailers to larget diverse customer segments. Consider displaying alongside organic cotton throws, hemp rope plant hangers, and bamboo wind chimes to create an appealing merchandising story that emphasises eco-driently materials and artistand quality. The star's lightweight construction facilitates easy seasonal rotations, while its durable composition ensures longevity in both commercial and residential applications.
