A perfect fit with neutral / stoneware trends

Handcrafted

Stunning natural stone effect finish

Code: 9058

Dimensions: 11L x 11W x 30H

Description

Meticulously crafted with a distinctive stone effect finish, this candle holder showcases subtle surface textures that create an organic, tactile appeal. The neutral palette harmonizes seamlessly with contemporary interiors while adding dimensional interest to any space. For maximum visual impact, pair with coordinating pieces from the Stone Candle Holder collection or create an eclectic display by combining with the Garda Decorative Artichokes and Bloomville Stone Ginger Jar. This arrangement brings depth and visual intrigue to tablescapes, mantels, or statement shelving.
