

Medium White Ceramic Cut-Out Tree With LED Lights

Radiant ceramic tree with precise cut-out detailing and built-in LED illumination. Pairs perfectly with matching tealight holders. Creates magical light patterns for year-round appeal.

LED lights require no maintenance or replacement

Modern design suits multiple décor styles

Cross-merchandising potential with matching ceramic accessories

Code: 23230

Dimensions: 10L x 10W x 19H

Description

Illuminate your retail space with this ethereal white ceramic tree, a luminous addition that merges modern artistry with traditional holiday charm. The intricate cut-out pattern creates a mesmerizing interplay of light and shadow when illuminated by the integrated LED lights, casting enchanting patterns across any room. This medium-sized decorative piece serves as a perfect centerpiece for holiday displays, yet maintains its allure throughout the year as a contemporary design statement. For an enhanced merchandising opportunity, consider pairing with its smaller companion piece and coordinating ceramic accessories from the same collection, including the star, heart, and tree-themed tealight holders. The clean white finish and geometric cut-out motif align seamlessly with both minimalist and classic décor schemes, making it an accessible choice for diverse customer bases. The LED lighting feature eliminates the need for candle replacement while ensuring consistent, safe illumination. This collection has demonstrated strong appeal in both traditional retail environments and contemporary gift boutiques, offering excellent margins and reliable sell-through rates. Complete the display with our wooden star hanging decorations for a cohesive merchandising story that maximizes cross-selling potential while maintaining design integrity across the collection.
