- Multi-functional ceramic dish for decorative or practical use
- Coordinates with full star collection range
- Seamless white finish ideal for retail display

Code: 23219

Dimensions: 17L x 19W x 3H

Description

Infuse your space with celestial charm through this pristine white ceramic star dish, a testament to modern minimalist design. The dish's graceful contours and crisp lines create an enchanting interplay of light and shadow, making it perfect for displaying seasonal ornaments or serving delectable treats. The luminous white finish amplifies its ethereal quality while ensuring seamless integration with various décor styles. This versatile piece coordinates beautifully with the complete ceramic star collection, including matching standing decorations and smaller companion dishes. For a cohesive winter display, pair with the White Ceramic Heart Cut-Out Tealight Holders to create pools of ambient light, or combine with the LED Winter Garland featuring Eucalyptus and Lamb's Ear for a refreshing botanical accent. The addition of Frosted Pine Garland with Pinecones completes the arrangement, while Antique Gold Bell Baubles add subtle metallic highlights. This collection offers retailers a coordinated selection that appeals to customers seeking refined seasonal décor with year-round functionality. The star dish serves as an essential cornerstone piece that encourages multiple complementary purchases, maximizing sales potential while delivering enduring value to end consumers.
