Description

Introducing The Noel Collection Forest Green Decorative Tree, the epitome of festive elegance that will bring a touch of enchantment to your holiday season! Immerse yourself in the tranquil beauty of nature with our exquisite forest green decoration. Designed to evoke the rich hues of a lush evergreen forest, it effortlessly blends sophistication with a hint of rustic charm. The beautiful forest green colour adds depth and warmth, creating a truly magical ambience in your space, available in two different sizes (22768). These table-top trees are hollow and look great with a LED candle inside to show off the subtleties of this colour-way to full effect. For LED candles only.
