### Description

These distinctive wooden heart ornaments embody rustic appeal with their authentic wood grain patterns and artfully distressed finish. Each piece in this generous collection of 90 decorations tells its own story through unique natural variations, making them ideal for retailers seeking merchandise with genuine character. Perfect for seasonal displays throughout the year, these hearts resonate with customers drawn to organic materials and mindful decor choices. They pair beautifully with our ceramic heart-shaped tealight holders, star-shaped ornaments, and LED winter garlands to create cohesive merchandising displays that drive sales. The natural finish allows these pieces to complement both modern and traditional aesthetics, while their generous quantity enables creative merchandising opportunities - from charming window displays to enticing point-of-sale arrangements. These hearts appeal particularly to shoppers seeking sustainable decorative elements, making them a smart addition to any retailer's inventory. Their adaptability for both holiday and everyday decor ensures steady year-round sales potential, while their nostalgic charm creates an emotional connection with customers seeking meaningful decorative pieces.
