Description

Infuse your seasonal display with rustic charm using these meticulously detailed wooden star ornaments. Each 5cm star exhibits a subtle texture and natural wood finish that radiates warmth throughout any festive setting. The generous pack of 90 pieces enables limitless creative possibilities - from minimalist single accents to dramatic clustered arrangements that add depth and visual interest to merchandising displays. The lightweight construction and reliable hanging loops ensure quick and effortless installation, perfect for busy retail environments. These stars pair beautifully with our matching wooden heart decorations, white ceramic star tealight holders, and smoked midnight glass candle holders to create cohesive seasonal collections. For maximum impact, consider combining with our LED wicker Christmas trees and winter garlands featuring eucalyptus and lamb's ear. The natural materials and understated design make these decorations particularly appealing to customers seeking sustainable, long-lasting holiday decor that transcends seasonal trends. Their versatility allows for creative merchandising opportunities throughout the winter season, from early holiday displays to post-Christmas winter wonderland themes.
