

Pale Blue Scabious Stem

Authentic pale blue Scabious stem with detailed petals and stamens. Pairs beautifully with eucalyptus and chrysanthemums. Essential for modern floral displays. 1

Realistic petal texture and color gradation

Long-lasting alternative to fresh flowers

Adaptable for seasonal arrangements

Code: 23417

Dimensions: 17L x 21W x 65H

Description

Delicate pale blue petals unfold gracefully on this lifelike Scabious stem, bringing fresh botanical drama to any floral arrangement. The intricate flower head showcases detailed stamens and a natural gradient of hues, making it an essential choice for modern retail displays. Perfect for pairing with Eucalyptus sprays, White Gypsophila, and Pale Green Blue Chrysanthemums to create enchanting seasonal collections that will entice your customers. The subdued blue tones and authentic appearance make it an ideal foundation piece for both minimalist and abundant arrangements, offering your clientele endless design possibilities. 1
