

Peachy Cream Short Stem Rose Bouquet

Ready-made neutral posy perfect for bridal and home. Authentic peachy cream roses bound with rustic twine. Pairs beautifully with eucalyptus and botanical sprays.

Chosen for its realism
Handcrafted
from our popular 'Recipe Collection'

Code: 20126
Dimensions: 25L x 25W x 35H

Description

From our sought-after Recipe Collection comes this delightfully understated bouquet that brings warmth and charm to any space. The peachy cream roses, thoughtfully bound with rustic twine, create an authentic appearance perfect for year-round display. This ready-made posy works brilliantly in bridal settings or as an everyday accent piece that requires no maintenance or seasonal replacement. For a complete arrangement, we suggest pairing with our Seeded Eucalyptus Stem for organic texture, White Gypsophila Spray for airy dimension, and Lambs Ear Spray to add silvery undertones. The addition of our Gunnii Eucalyptus Spray introduces a cool blue-green element that enhances the neutral palette. This combination creates lasting arrangements that appeal to both traditional and contemporary retail customers, making it an essential stock item for florists and design-focused retailers.
