Description

Drawing inspiration from Mediterranean design, this squat vase from the Seville Collection introduces rustic warmth with its olive-toned ceramic finish. The proportioned silhouette creates a grounded presence while maintaining a fluid form that catches light beautifully across its surface. Perfect for both minimalist and layered displays, this vessel excels as a standalone piece or as part of a curated collection. For an cohesive aesthetic, pair with the matching Olive Bulbous Vase and Olive Jug from the same collection. Enhance the display further with natural elements like the White Chrysanthemum or the distinctive Real Touch Artificial Artichoke. For added visual interest, consider incorporating the Garda Decorative Small Artichoke or create depth with the Miniature Hebe Veronica in Pot. The vase's neutral palette harmonizes seamlessly with both traditional and contemporary spaces, making it a reliable investment piece for retailers seeking to offer their customers adaptable home accessories that maintain enduring appeal.
