

Siena Brown Rimmed Large Plant Pot

Deep brown plant vessel combines aesthetics with practicality. Features water-ready design with protective liner option. Perfect showcase piece for retail display.

- Multi-purpose container suitable for artificial or live plants
- Smooth rim detailing enhances visual appeal
- Neutral brown finish suits diverse design schemes

Code: 23301

Dimensions: 40L x 40W x 31H

Description

Showcasing understated grandeur, this brown-rimmed plant pot exemplifies artisanal mastery with its refined sculpting and seamless integration of natural tones. The vessel's deep earth-toned finish and smooth rim detailing create an alluring interplay of light and shadow, making it an ideal centerpiece for both contemporary and traditional spaces. The pot's generous proportions and water-ready design (with protective cellophane) offer flexibility for both artificial and live botanical displays. For a cohesive aesthetic, pair with the Garda Grey Glazed Tiber vase collection, Matt White ceramic candle holders, or the distinguished Amalfi Grey series of decorative vessels. The harmonious blend of form and function makes this piece particularly appealing for upscale retail environments and design-conscious clientele.
