Description

Bring sophisticated minimalism to your product range with the Siena Brown Round Ribbed Planter. This artfully crafted piece features precise horizontal ribbing that creates a mesmerizing textural pattern across its generous bowl-shaped form. The weathered earthy finish lends an authentically aged appearance making it a perfect vessel for both indoor and outdoor styling. Perfect for the modern consumer seeking understated luxury, this versatile planter pairs beautifully with contemporary furniture and architectural elements. Its neutral tone complements both warm and cool colour schemes, while working harmoniously with materials like concrete, natural wood, and brushed metals. Style it as a striking standalone piece or create an impactful display by grouping multiple sizes. Ideal for showcasing large indoor plants, succulents, or architectural grasses. This planter resonates particularly well with industrial, Scandinavian, and modern Mediterranean design aesthetics, offering your customers endless styling possibilities. A must-have addition to any premium home and garden collection, the Siena planter combines timeless design with exceptional craftsmanship that your discerning customers will appreciate. Please note, if customers wish to display real flowers in this, they must use a florist's cellophane wrap to contain water.
