Description

This stunning Siena Water Pot features a classic urn-like silhouette with a beautifully distressed brown glaze finish. The organic, earthy tones and textured surface lend an authentic, artisanal look that complements a variety of design styles, from farmhouse and industrial to bohemian and Mediterranean. Use this versatile pot to display lush greenery, vibrant florals, or simply let it shine as a striking focal piece on its own. With its generous size and sturdy construction it's an ideal accent for a variety of settings, from entryways to offices and boutiques. Please note, if customers wish to display real flowers in this, they must use a florist's cellophane wrap to contain water.
