Handcrafted
From the popular 'Recipe Collection'

Code: 21188
Dimensions: 8L x 25W x 25H

Description

From the coveted Recipe Collection comes a wonderfully detailed seasonal accent that merges the serene beauty of frosted eucalyptus with practical functionality. This circular wreath serves as an enchanting centrepiece, designed specifically to accommodate a candle at its heart, creating an atmosphere of winter charm and warmth. The delicate frosted finish on each eucalyptus leaf catches and reflects light beautifully, adding depth and dimension to any display. The thoughtful arrangement of foliage creates an organic, layered effect that appears as though it was freshly gathered from a winter garden. For retailers seeking to create cohesive displays, this wreath pairs magnificently with the Smoked Midnight Glass Candle Holder, adding a touch of contemporary sophistication. The complementary Regola Matt White Ceramic Vase provides an excellent contrast, while the addition of Eryngium Blue Thistle stems can introduce subtle colour variations. For those looking to build a complete seasonal collection, consider merchandising alongside our LED Winter Wreath with Eucalyptus and Lamb's Ear, which shares similar design elements while offering illuminated features. The wreath's versatility extends beyond the holiday season, making it an excellent year-round option for home décor enthusiasts seeking pieces that transition seamlessly between seasons. Its modest size makes it perfect for window displays, tabletop arrangements, or as part of larger decorative installations, offering retailers multiple merchandising opportunities.
