Description

This is the Stamford Plank Collection Square Coffee Table. The Stamford collection's coffee tables really show the range's attractive lattice pattern off to the full. The open, airy, lattice breathes a freshness into any space. Pared back, timeless and with a weathered familiarity, items from this range will feel like they've always been there the moment they arrive. Deliberately distressed, this handmade, planked pine coffee table has an inviting lived-in look, coupled with a calming colour-way.
