

Tall Green Hops Stem

A single spray of small green faux hops blooms to display within a favourite vase and provide a finishing touch to any interior.

Chosen for its realist

Handcrafted

From the popular 'Recipe Collection'

Description

Discover a botanical accent that brings understated sophistication to any interior space. This slender green hops stem offers a delicate, minimalist design perfect for creating contemporary floral compositions. Pair expertly with complementary stems like Seeded Eucalyptus or White Gypsophila to craft balanced arrangements that add refined organic texture to retail displays and interior styling
