Description

The combination of raw and organic textures of a solid pine body and cast iron accents has been used in the Draftsman Collection. This is the Draftsman Collection 20 Drawer Merchant Chest which is 90cm high, 160cm wide and 45cm deep with 20 drawers making it a great storage addition to any interior whilst being timelessly handsome too. The combination of wood and gun metal grey label handles is a key look for on trend interiors which unites function and understated styling to create timeless pieces with a nonchalant design attitude. In keeping with the casual style, the pine body features two tone colouration while the gun metal grey legs, feet and handles bolden the rustic and industrial feel. Built to last for years to come, this collection would be a welcome addition in any interior.
