Description

Bring festive charm to your store with this exquisite large candle holder from The Lustre Collection. Its mercury glass finish exudes vintage elegance, while the intricate Christmas tree motif adds a touch of holiday magic. The antique silver exterior contrasts beautifully with the warm golden glow inside, creating a mesmerizing ambiance when lit. Perfect for curating enchanting seasonal displays, this versatile piece pairs wonderfully with pine garlands, metallic ornaments, or rustic wooden accents. Suggest to customers creative styling options like filling it with fairy lights, pine cones, or seasonal potpourri for added allure. This candle holder complements various interior styles, from traditional to modern farmhouse. Its timeless design ensures it will be a cherished addition to holiday decor for years to come. Ideal for mantels, dining tables, or as a striking centerpiece, this piece is sure to spark joy and boost seasonal sales. Stock this luxurious candle holder to offer your customers a touch of sophistication and warmth for their holiday homes. Its quality craftsmanship and eye-catching design make it an irresistible addition to any Christmas collection. Suitable for faux LED candles.
