Description

The Magic Wand is the perfect accessory to our amazing range of pre-lit Christmas Tree's. Utilizing sensors on the tree and the wand you can wave the wand and the tree will magically illuminate or turn off. There's also a perfect accompaniment with an audio burst from the wand giving the impression that magic has just been sprinkled. It's great for the kids. There is also a number of modes which are triggered by a button press. These change the lighting patterns. Requires 2x AAA batteries.
