Dimensions: 0L x 0W x 52H

Description

Indulge your customers' desire for timeless elegance with our exquisite faux blush peony stem. This lifelike Paeonia officinalis replica boasts delicate, layered petals in soft pink hues, perfectly capturing the lush beauty of a fresh-cut garden bloom. The realistic stem and foliage add to its authentic charm, making it an ideal choice for year-round displays. Pair this versatile peony with other romantic florals like roses, hydrangeas, or delphinium for stunning bouquets. Its subtle coloration complements both modern and traditional interiors, from shabby chic to minimalist spaces. Showcase in clear glass vases or rustic pitchers for a touch of effortless sophistication. Durable and low-maintenance, this faux peony offers enduring beauty without the need for watering or seasonal replacement. Stock this must-have artificial bloom to meet the growing demand for high-quality, lifelike florals that bring perennial joy to any home or business setting.
