Versatile pairing with other faux botanicals

Code: 23395

Dimensions: OL x OW x 61H

Description

Bring the timeless elegance of Liliium to your collection with this exquisite pink lily stem. This lifelike botanical masterpiece captures the delicate beauty of Asiatic lilies, featuring perfectly formed petals in a soft blush hue. The long, slender stem allows for versatile styling in tall vases or mixed arrangements. Pair with eucalyptus and peonies for a romantic bouquet, or combine with tropical foliage for a bold, contemporary look. This faux lily stem is ideal for creating lasting displays in boutique hotels, upscale retail spaces, or modern home interiors. Crafted with meticulous attention to detail, this artificial lily stem offers the perfect balance of realism and convenience. It's an excellent choice for retailers catering to discerning customers who appreciate low-maintenance, year-round floral decor. Style in sleek, minimalist vases for a chic Scandinavian aesthetic, or in vintage ceramic containers for a charming cottage-core ambiance. The versatile pink hue complements a wide range of interior color schemes, from neutral tones to vibrant palettes. Stock this stunning lily stem to offer your customers a touch of sophisticated botanical beauty that will flourish in any setting, season after season.
