### Description

A delightful interpretation of the beloved hellebore flower that brings the serenity of a winter garden indoors. Each stem showcases meticulously detailed petals in varying shades of pink, creating a realistic variegated appearance that mirrors its natural counterpart. This artificial bloom maintains its fresh appearance year-round, making it an excellent choice for retailers seeking reliable inventory. For an impactful display, combine with the Eryngium Blue Thistle for color contrast and the Large Cineraria Eucalyptus Spray to add depth and movement. The vessel selection can dramatically alter the presentation - pair with the Garda Grey Glazed Tiber Vase for a modern look, or enhance the romantic appeal with the Matt White Small Ceramic Column Candle Holder. The addition of the Large Stone Effect Acorn Tea Light Holder creates an enchanting tabletop arrangement that will appeal to customers seeking lasting botanical charm.
