

Washed Wood Large Window Mirror

Rustic window-style mirror with weathered wood finish. Creates illusion of extra space. Pairs perfectly with matching collection pieces and designer lighting.

- Multi-functional architectural design
- Space-enhancing reflective properties
- Weather-worn wood texture

Code: 23337

Dimensions: 4L x 90W x 150H

Description

Bring the outside in with this well-proportioned window-style mirror that adds depth and luminosity to any space. The weathered wood finish creates a rustic charm while maintaining a modern appeal that works brilliantly in both traditional and contemporary settings. Perfect for retail environments seeking statement pieces that resonate with diverse customer bases. Create a cohesive look by pairing with the matching round framed mirror from the same collection, or enhance the aesthetic with the Salsaire Collection furniture pieces and Incia or Pella table lamps for a fully coordinated interior scheme that will appeal to style-conscious consumers.
