Description

Bring unmatched grandeur to any interior with this rustic window-style mirror, featuring a weathered wood frame that adds depth and character to your space. The carefully distressed finish creates an authentic aged appearance, while the generous proportions make it an ideal focal point for retail displays. The grid pattern window design introduces architectural interest and adds dimension to walls, making it a sought-after choice for both traditional and contemporary settings. For a cohesive collection, pair with our LED white candles in varying heights, the Tiber ceramic vase in matt white, and the complementary Athena aged stone table lamp with linen shade. This thoughtfully curated combination offers your customers a complete design solution that meshes rustic charm with modern appeal, perfect for creating an inviting atmosphere in any room. 1
