Durable ceramic material
Multi-seasonal functionality

Creates patterned lighting effects

Code: 23193

Dimensions: 8L x 8W x 8H

Description

A luminous addition to any home decor collection, this white ceramic tealight holder showcases delicate heart-shaped cutouts that cast enchanting light patterns when illuminated. The pristine white finish adds a minimalist aesthetic that resonates with modern interiors while maintaining a romantic appeal. When lit, the holder creates an atmospheric display of dancing shadows, making it perfect for creating intimate lighting arrangements. The balanced proportions and symmetrical design make it an ideal centerpiece or clustered accent piece. For maximum visual impact, pair this holder with the coordinating white ceramic star dishes in varying sizes, or create a cohesive display with the matching heart cut-out wax melt holder. The addition of the Coffee Ombre Collection votives with star details provides a complementary contrast, while the Smoked Midnight Hammered Star candle holder adds depth to the arrangement. For seasonal flexibility, this piece transitions seamlessly from everyday decor to holiday displays, particularly when combined with The Noel Collection's crystal-dusted wooden trees and festive candle accessories. The durable ceramic construction ensures longevity, making it a reliable addition to any retailer's inventory.
