

White Orchid In Glass Pot

Gracing any interior with its elegance. Luxuriously lifelike, each individual petal and root has been hand-painted and crafted.

Chosen for its realism
Handcrafted
from our popular 'Recipe Collection'

Code: 19957
Dimensions: 21L x 21W x 61H

Description

This is the White Orchid in Glass Pot. A sophisticated home addition that will add an air of serenity and elegance wherever it's placed. This faux orchid boasts a botanical accuracy second to none. From the realistic root network spilling from the rustic white glass to the variety of opened blooms and closed buds, every care has been taken in its creation. This faux plant would look fantastic as a dining table or kitchen island centrepiece.
