

## Whitewashed Rustic Hanging Star

Wall-mounted focal piece

Dimensions: 5L x 13W x 13H

## Description

A testament to minimalist design, this rustic star embodies serene countryside charm while maintaining a modern sensibility. The carefully applied whitewash finish creates subtle depth and texture, allowing the underlying materials to show through in just the right places. Each point of the star catches light differently, creating an entranening interplay of shadows throughout the day. Perfect for country cottages, modern farmhouses, and cosastir entral doubles as a conversation piece that draws attention without overwhelming the space. When paired with our collection of weathered wooden wall plaques, wintage-style mirrors, or our selection of distressed metal wall colocks, it creates a ochesive nearative of rural sophistication. For maximum visual impact, consistent guitating multiple stars at varying heights, or combining with our frosted glass tea light holders and antiqued metal lanterns. The neutral palette ensures seamless integration with existing décor while the dimensional design provides architectural interest to any wall space. This piece resonates particularly well with our rane of mercury glass vases, whitewashed wooden candle holders, and textured ceramic vessels, making it an essential component for creating layered, thoughtful displays that retail customers consistently seek.
